ADVANCING THE SIGN INDUSTRY IN KANSAS, MISSOURI & OKLAHOMA

INTERNATIONAL SIGN ASSOCIATION

WORKING TOGETHER
TO BUILD A STRONGER INDUSTRY

Greetings,

Last year we all learned to adapt in business as well as in our private lives. We had to move all of our Board meetings to Zoom. Hopefully the COVID is about in our rear view mirror and we can get back to normal. Though our in person meetings were halted, here is a list of what we did accomplish in 2020.

Feb. - Crane Operators Class in OKC
April - Started our bi-monthly Zoom Calls
May - Attended an OKC Planning Zoom Meeting
May - Introduced the first TSSA Elite Class
July - Awarded $30,000.00 in scholarships to 35 Applicants
Aug. - We had our TSSA Virtual Auction with a FaceBook Live portion. With the great Sponsors, Donations and Bidders we raised over $21,000.00. It was quite a SUCCESS!
Sept. - We had our first in person meet and greet at Tyler Media in OKC. We had a cornhole tournament and Lunch set up as an outside venue. We had near 60 attendees from 12 companies. Everyone had a great time.
Nov. - We had our first in person TSSA & State Board Meetings. It was great to personally see everyone again.

We hope to get back to normal soon. We are planning a (normal) Great 2021 TSSA Sign Expo at Downstream Casino Resort Aug. 5-7, 2021. Hope to see you all there!

TRI-STATE SIGN ASSOCIATION
LETTER FROM YOUR PRESIDENT

Hello!

I am Adam McClain, the current TSSA President. Over the last year our lives have been forever changed by the emergence of COVID-19 and as a result we have faced many new challenges but I believe one of the most important lessons to take from these circumstances is the significance of adaptability both in the work place and at home. My family and I are excited and thankful to have been able to start this year in a new home in Edmond, OK so that I could be closer to our business there, Vital Signs of Oklahoma. While this year may feel different as we figure out how to navigate these new waters, you can rest assured that we are all in this together as an industry.

I want to take a moment to recognize those working hard to keep the sign industry moving forward regardless of the obstacles faced. We are incredibly grateful for your time and dedication to the success of the TSSA. It does not go unnoticed and your contributions are appreciated. I am impressed with how those in the sign industry have truly stepped up during these times.

We are striving to lessen the gap that exists between each of us during this time of social distancing by incorporating virtual meetings and gatherings. Here are a few events that we have to look forward to this year. The 2021 ISA Virtual Sign Expo is April 7-9th. Be sure to take part in this one at signexpo.org. Then on August 5-7th we will have the 2021 TSSA Sign Expo at Downstream Casino & Resort in Joplin, MO. This is scheduled to take place in person but make sure to stay tuned for any changes or updates. I encourage those who are members of TSSA/ISA but have become inactive as of late, to reach out and get involved. Eventually we hope to be able to resume in person meet and greets, but until then stay safe and stay well.

Sincerely,
Adam McClain
TSSA President

OKC SIGN CODE REVISIONS

To those that do business in Oklahoma City we want to make you aware of the proposed new sign code being drafted for Oklahoma City. There is a proposed version already on the table. We have reviewed the new ordinances and found there are a lot of areas that will hinder the business community. Sign sizes are drastically reduced in size and overall height. There is also a 10' set back from the property line for all free standing signs. Right now your pole or free standing sign can set right up against your property line. With this new code any new signs will have to set 10' back.

If you find that the code will affect your business in a negative way, please let them know exactly how it affects you. We are doing the same. They will then better understand the impact this will have on all of our businesses.

To review the new code go to:
https://www.okc.gov/departments/planning/current-projects/development-codes-update

To voice your opinion on the code contact:

Sign Industry Quarterly Economic Report, Q4 2020 - Now Available

According to the report, produced by IHS Markit, the economy is facing a higher winter peak in COVID-19 and more fiscal stimulus in late 2020. It anticipates around 4% growth of gross domestic product output in 2021 and 2022.

The report covers the fourth quarter of 2020 and was prepared in January. It is sponsored by the National Association of Sign Supply Distributors (NASSD). The report assesses four segments of the industry: two supplier markets (printing and electrical/ digital signage) and two end markets (electric/digital signage and architectural signage). It also forecasts commodities.

Members can download the report and download a recently recorded webinar for free at www.signs.org/quarterlyreport.

OKLAHOMA STATE DIVISION REPORT
LETTER FROM THE CHAIRMAN

Greetings,

It's finally time to say goodbye to 2020, and hello to 2021! Although the past year was full of unique challenges and what felt like more bad news than good news, it was historic to say the least. As I reflect on the past year, I hope everyone remains safe in the current state of the pandemic and optimistic to brighter times in the hopefully not-so distant future. 2020 may not have let us partake in our usual settings as an association, but I do believe the country is on the up and up as a whole. With many states starting to see COVID-19 cases begin to fall, more businesses are starting to open up to a new version of "normal," and some have even come back stronger than ever! I am confident opportunities are in store for this industry and organization if we remain patient. If there is one thing this pandemic has taught me, it's to stay patient and as calm as possible through this process. Not everything is in our control, but if we do what we can, when we can and take steps to plan ahead, we'll be better for it! Sure, things can change overnight, but a little bit of patience can make all the difference during uncertainty. Let's remind ourselves that we are near the end of this pandemic, which I'm sure I speak for most people when I say, we are ready for it to be over, and we're ready to work! So here is to 2021. I know we will be back in action before we know it and I can't wait to see what is in store! I hope everyone has a safe and quick recovery this quarter and hope to see everyone at the TSSA Sign Expo or sooner!

Sincerely,
Cameron Gleason,
Oklahoma Chairman

KANSAS STATE DIVISION REPORT
LETTER FROM THE CHAIRMAN

2021 is HERE, and it has been REALLY cold! That being said, it looks like the weather is starting to warm up a bit and there may be light at the end of the tunnel. Many have been drastically affected over the events of the last year and many have rebounded and are looking to the future. We can expect business to pick up and new opportunities to arrive in the coming months.

The Kansas Division has had some meetings, and nothing is currently on the calendar as of now. As things continue to evolve, and gathering restrictions are eased, and it seems safe for in person gatherings we will start scheduling events.

Be sure to mark your calendars for the TSSA Sign Expo August 5-7 2021 at Downstream Casino. We are hoping Covid has let up enough to put on a normal fun-filled EXPO that we have come to expect. Hope to see you there. In the meantime stay safe and stay profitable.

Sincerely:

Greetings fellow Missouri Sign Guys and Gals,

I am writing to you in the middle of the winter storm, we have used this break to get some things done in the shop, I hope you have found productive ways to make it through as well.

I hope you all will take advantage of the ISA Virtual EXPO this year. I miss not being able to see you all in person, but this year no one should have a reason to miss out. You'll be able log in and out at your convenience, without all the hassle of traveling, airports, hotels, etc. Make sure you sign up on ISA website, today is the best day for getting that registration in!

I also want to thank the Missouri Division Board Members for working on putting together some welcome gifts for new members. We hope to get those out soon. To the Missouri Sign shops, as soon as we can safely meet in person, we have plans to get together and share with each other once again.
